

Season Pre-Squad Program for WRITA

Summary:

The Season Pre-Squad Program allows regular WRITA shooters to pay a fee and be pre-squadded for the entire season. The program has provisions for providing notice when not attending a shoot, provisions for how the season pre-squadding is allocated, and applicable fees. The fees collected for this program will be combined with added money for the Grand.

1. Fee: \$20.00. There will be no prorating of the fee. Purchasing a Season Pre-squad part way through the season shall still be \$20.00. Season pre-squads are non-transferable and non-refundable.
2. Notice requirements: Any shooter who is pre-squadded for the season and misses a shoot without providing notice to either the WRITA Secretary or the Cashier for that shoot shall lose their season pre-squad for the remainder of the season. Regaining a season pre-squad will require the payment of another \$20.00. Notice must be provided directly by the shooter who is pre-squadded. Notice must be provided to either the Secretary or the Cashier by 8:00 a.m. of the first day of the shoot that the individual is pre-squadded. WRITA officers will have the right to waive any forfeitures when they deem the reasons for failure to provide notice to be substantial enough to provide relief from the provision.
3. Backer Pre-Squadding: Shooters may pre-Squad 1 time in the backer. Both shooters must pay the season pre-squad fee, and both must list each other on their pre-squad application. In the event that a shooter provides notice that they are not attending a shoot, their backer partner will be allowed to keep the spot and add a partner for that shoot.
4. What is covered: The Season Pre-squad would only cover WRITA events.
5. How spots are allocated: The season pre-squad will be allocated on a first-come first-serve basis. The first opportunity to pre-squad for the season will be by including your fee and pre-squad preferences with your annual renewal membership. Those will be prioritized by the order in which they arrive to the secretary. Season pre-squad requests shall only be made by annual renewal by mail or in person at a shoot. No Season Pre-squad requests can be made by phone, nor will any requests be considered that are not accompanied by payment. There is an option in the renewal to pre-squad multiple shooters on a squad. Shooters who renew and request Season pre-squad as part of a multi person squad shall ALL receive priority of the date in which the first renewal designating this group is received.
6. Changing squads: Any shooter who desires to change posts or squads for the remainder of the season may do so by contacting the WRITA Secretary. Changes this first season, regardless of whether a result of yardage change or simple desire to move, may be done without additional fee.
